

Gainful Employment Disclosure

Meridian Technology Center (MTC) offers undergraduate certificate programs only. We are required to disclose certain information on programs that are 600 clock hours or greater with post-secondary (**ADULT**) student enrollment. Over 2/3 of our enrollment consists of secondary (high school) students.

You may access the Gainful Employment Disclosures Information on each eligible full-time program page on our website. MTC website address: <https://www.meridiantech.edu/programs/> , select MTC's Full-Time Programs, choose a program of your choice, click on more info, select Gainful Employment Information for details regarding the program or select Cost Sheet for tuition and other expenses.

Gainful Employment Disclosure job placement rates include adult students only. Positive placement rate includes military, continuing education and all employment. It excludes program completers who are unemployed but seeking employment and students not in the labor force.
