This addendum is to the project manual for the above referenced project at Meridian Technology Center.

To: All Holders of Contract Documents

- A. Section 00800, H
  - a. Is this applicable to the 2020 HVAC Replacement Project?
    - i. We will retract "H. The Contractor shall furnish engineering and layout services necessary to provide required lines and grade for the proper execution of the Work."
- B. Section 00800, E, Line 4-6
  - a. Can this be retracted from the bid documents, for this in not applicable for painting is not in this scope?
    - i. We will retract the lines that state "After completing paint application, clean spattered surfaces. Remove spattered paints by washing, scraping, or other methods. It is still within the scope of this trade to not scratch or damage adjacent surfaces.
- C. On April 29, 2020 an email was sent to the Oklahoma Tax Commission via <a href="mailto:taxprofessionalquestion@tax.ok.gov">taxprofessionalquestion@tax.ok.gov</a> to clarify if technology centers pay use tax. In an email received April 30, 2020 from the Oklahoma Tax Commission "The sales tax exemption is also a use tax exemption".
