2,565 program hours does not include the prerequisite courses of Anatomy & Physiology (Human Structure & Function) and Medical Terminology identified in the Radiologic Technology Career Major.

Miscellaneous expenses will vary with individual needs. Travel to and from clinical assignments in a 65 mile radius are not included in program expenses. Health insurance may be required to attend some clinical sites. Additional clinical expenses may be incurred. Textbooks and other expenses are subject to change. Additional expenses due to COVID-19 testing may be required. The ARRT application fee is not included in program expenses, but will need to be paid when the applicant applies for the ARRT certification exam.
